Apathy won't fix our problems; VOTING CAN!

The Kingwood TEA Party is working to lower our local debt while improving our schools. Too many think it can't be done, because they have accepted the Education Establishment's premise that more money equals better education.

MORE MONEY DOES NOT EQUAL BETTER EDUCATION!

If it did, our schools would be efficient and effective instead of being filled with overpaid bureaucrats eager to try the latest educational fads on our children. Let's reinstate common sense with true, old-fashioned high expectations, and solid curricula with NO Common Core!

Our Humble ISD School Board has been working hard to make our schools the best they can be with too much State and Federal interference.

Join us in reelecting Robert Scarfo, Keith Lapeze, and Heath Rushing — for our children's sakes!
